## Why Invenias?

Invenias makes a difference. The Invenias platform helps executive search firms find and engage with the right talent at the right time. Invenias drives your growth through leveraging real candidate insight built on your trusted relationships.

## The Invenias difference

- ▶ Drive full adoption and user participation across your team and organisation with simple, intuitive and easy to use applications
- ▶ Increase the productivity of the search process by working seamlessly inside Outlook with full integration with web and social networking sites
- ▶ Gain a cost effective, cloud-based, secure and scalable platform enabling your teams to work wherever they are, on their desktop or mobiles.

## Invenias drives growth

- ▶ Capture the high value data, knowledge, insight and connections held within your organization's professional network
- ▶ Transform your candidate and client relationship management, assignment delivery, business operations and reporting
- ▶ Connect with your clients and candidates for closer and more productive relationships and engagements.

## Who's using Invenias?

Invenias is trusted by AESC member firms worldwide. Customers of the Invenias platform are search professionals from organizations with hundreds of users across worldwide sites, to boutique firms with one or more offices, and solo executive recruiters.

## BlueSteps Integration

Invenias is integrated with the AESC's BlueSteps database of executive level candidates. This integration facilitates a seamless transfer of confidential candidate information from BlueSteps, to Invenias' platform, which is used by many AESC member firms to manage their assignments.
